Responses are provided to questions submitted as follows:

Q1: On page 30, article H-100 of the RFP, the clause refers to a "Subject Invention," please define/explain this term.

A1: This term is defined within Section I Clause 52.227-12, Patent Rights – Retention by the Contractor – Long Form (Jan 1997).

Q2: We would like to request a two week extension due to the change in security requirements made by Amendment 0001 to this solicitation.

A2: This change alleviated the security requirements; therefore, the change does not warrant an extension of the solicitation due date.

Q3: We would like to request a two week extension due to internal email system complications arising from the recent countrywide computer virus incidents.

A3: This request for an extension is based on a matter determined to be beyond the Government's control, and does not warrant an extension of the solicitation due date.

Q4: Is there an incumbent for this effort?

A4: This effort is not a direct follow-on to an existing contract at SSC San Diego.
